WHAT IS THE WORKERS HEALTH INSURANCE?

Based on Cabinet Resolution regarding the Workers Health Insurance scheme for the workers registered with private sector establishments, as well as domestic workers in the Emirates where health insurance scheme for such workers are not yet available (Sharjah, Ajman, Umm Al Quwain, Ras Al Khaimah, and Fujairah), the Workers Health Insurance scheme has been launched under the supervision of the Ministry of Human Resources and Emiratization in collaboration with the Federal Authority for Identity, Citizenship, Customs, and Port Security, and the Ministry of Health and Prevention.

The objectives of Workers Health Insurance scheme are as follows:

- To support the well-being of workers by providing a comprehensive healthcare system.
- To enhance the competitiveness of the UAE labor market.
- To reduce financial burdens associated with medical treatment and unpaid sick leaves for uninsured workers.
